Luther Valley Retreat is a summer youth camp and year round retreat center located on 240 acres in the middle of Pike National Forest. To learn more about LVR you may visit their website at [www.lvr.org](http://www.lvr.org).

The theme for the 2011 Catechism Retreat is "The Sacraments: Baptism, Absolution and the Lord's Supper."

There will be three daily Bible studies taught by attending Pastors. Students will consider the sacraments and the Bible texts that teach us about the gifts the Lord gives in the Sacraments.

Each morning will begin with Matins and each evening will close with a Vespers service around the campfire.

The day will be filled with fun activities provided by the talented staff of LVR. Some of these may include fishing, hiking, crafts, capture-the-flag, bouldering, rappelling, high-ropes course, horse-back riding, archery and other adventure challenges!

Students entering grades 5-12 are encouraged to attend. Friends are welcome. Join us this summer at the universe's greatest catechism retreat.
