

SOTH Acolyte List

Creative Catechism Lessons

2011-12

Instructions:

- SOTH welcomes all youth of TIC TAC (5-8th) age to be able to serve as acolytes in Sunday services. All youth in this category were placed on the schedule as a youth's service in worship is an important part of Spiritual Formation. This is an awesome opportunity to serve your Lord and the Body of Christ here at SOTH!
- Please refer to the Acolyte Instruction Manual on our website. You may also ask Pastor Zillinger any questions/clarification you might have.
- You are expected to show up to Acolyte on your scheduled day.
- If you would like to switch with someone or can't Acolyte on a Sunday please contact your replacement yourselves and then contact the main church office before Thursday of that week so changes can be made in the bulletin. If there is a specific service time that you would like for next year please let Pastor Zillinger know before Sept. 2012.
- Sometimes emergencies arise that Acolytes can't make it for their services. If you happen to be attending a service you might be asked to fill in for these emergency cases.
- The church office will call you sometime the week before to remind you of your service and time.
- If you would want to be removed from the acolyte rotation please contact Pastor Zillinger with your reason.
